Wilma (Pepper) is a very athletic and intelligent mare that is willing to give her all. Pepper competed in the 70/30 in '07 and the maturity last year. Both times she handled everything with ease and performed to my expectations. Pepper has been on numerous trail rides and has helped move cows. She is great around kids (very cautious around very small kids) has been around quads and other farm machinery with no issues to date. Pepper will make an excellent companion for a competitive youth who wants to be that all around rider. Pepper is big and could handle any adult rider with ease in any situation.

"Barney" is a Peppy San Badger and Spanish Bo Skip great grandson. This gelding not only has the breeding, he is smart,

athletic, and is good looking. Should make an excellent reiner, cutter, team penner, heel horse or take him home for ranch work. He was used in 2008 for moving cow/calf pairs from pasture to pasture. Loads easy, good to trim, been bathed and blanket-ed, dewormed, and is sound and ready to go. (306) 634-3830.

Honeys Grand Lady	Good Sonny	Sonny's Super Star Good N quick
	Miss Grand Honey	Toad's 4 Grand Snifter's Honey

Lady is about 15.2 HH and is as pretty as they come. She is a very smooth moving horse and put together right. She is easy to handle, has a great disposition and personality. Unfortunately, we are selling her as broodmare sound only. We had x-rays done on her, and they showed a small bone chip in her right hind fetlock. She has had a breeding soundness exam done and everything came back good. Her full siblings have all been extremely nice horses to train; very willing and very athletic. Two have gone on to be excellent rope horses. This mare will be an asset to anyone's breeding program.
